District Surveys

Help us improve - take part in our district surveys

- February 2007

Dear Parents of Austin Public Schools Students,
We want to hear from you!

The Austin School District is beginning to create a strategic plan. This plan will set district goals and strategies for the next 3-5 years. In order to make sure the plan reflects the needs and priorities of parents, students and the wider community, we are asking for your help.

The school district is seeking the input of parents and community members through a survey.

The school district has hired the Improve Group, a private research firm, to manage the survey. The Improve Group will make sure that your responses to the survey are kept anonymous and confidential. If you have any questions about the survey, please contact Becky Stewart at the Improve Group by phone (877-467-7847, ext. 803) or email (beckys@theimprovementgroup.com).

Those who complete the survey will be entered into a drawing for gift certificates and other fun prizes. The first drawing will be March 26th, 2007.

Thank you for completing your survey today!
